

Member Application and Memorandum of Understanding

Declare your support today by making a tax-deductible contribution to Metropolitan Energy Center (MEC). By filling out and returning this application:

- You or your company commit to actively support MEC's mission to create resource efficiency, environmental health and economic vitality in America's heartland.
- You or your company commit to work together with MEC toward preserving our regional energy resources through implementing clean transportation, energy efficiency, and alternative energy projects where possible.
- You or your company are granted access to the MEC and Clean Cities membership resources corresponding to your financial contribution.

Benefits of MEC Membership Network

Kansas City Regional and Central Kansas Clean Cities Coalitions are a part of the MEC Membership Network, which also includes businesses in energy efficiency in the buildings sector and other emerging sectors of the energy economy. Consequently, membership in the Clean Cities Coalitions puts you at the heart of the green energy economy in America's Heartland. Every member will receive one-year membership (Jan-Dec) in the Membership Network. Whether your goal is deploying clean and domestic fuels for transportation and energy generation, improving energy efficiency, or helping businesses "green" the bottom line, your financial support helps our programs cut foreign oil dependency, improve our air quality, and spark local economic vitality. A variety of MEC initiatives produces a wide array of member benefits, including networking opportunities, recognition, and technical assistance.

Underwriter and Presenting Sponsors

Want to have an even bigger impact at MEC? Corporations or foundation that annually contribute \$10,000 or more provide critical funding support for the organization and allow MEC to meaningfully impact energy use in America's Heartland.

Presenting Sponsor (\$10,000+)

- All benefits of Diamond sponsors
- Recognition on stage and on associated media for 1 MEC event of your choice
- 2 branded email blasts regarding news and project to our thousands of stakeholders
- A 60-second video on our news page for up to a year

Underwriter (\$25,000+)

- All benefits of Presenting Sponsors
- A full page spread in the Annual Report
- Additional benefits as agreed upon by MEC and sponsor

Varying levels of membership allows you to pick the right package for you! If your goal is to increase your brand awareness, MEC can offer a variety of ways to share your story and logo. See other membership packages next page.

Technical Assistance

MEC members and sponsors have access to additional discounts and benefits. We provide members with technical assistance to advance alternative fuels and energy efficiency. Members receive priority consideration when strategic opportunities arise, including:

- Contracts and funding opportunities
- Green Fleets assistance
- Technical assistance (troubleshooting, technical advice, facilitating trainings, consulting, etc.)
- Use of Project Living Proof for corporate events
- Discounts with participating vendors and suppliers
- Fund the program of your choice

We thank you for your generous support of Clean Cities and the MEC Member Network!
